**Objection Deadline: August 2, 2022**

22 I, Kayla Lewandowski, hereby declare and state as follows:

23 1. This declaration is based upon my personal knowledge unless otherwise indicated. If

24 called upon to testify as to the matters stated herein, I could and would competently do so.

25 2. On the day of the Camp Fire I was living in a rented apartment in Chico, California. I

26 had lived in Paradise, California for most of my life. My parents' home is located at 840 Sun

27 River Court, Paradise, California 95969. I had stored personal property at my parents' home in

28 anticipation of returning to Paradise and renting a place of my own. My parents' home burned in

1 the fire.

2 3. I lost personal property because of the fire. My personal property loss includes  
3 furniture, clothing, photos, and other childhood mementos.

4 4. I suffered emotional distress because of the fire. All my possessions that reminded me  
5 of my life in Paradise were destroyed. The day of the fire I was fearful that my parents,  
6 grandfather, and boyfriend would not get out alive. They finally arrived in Chico where I assisted  
7 them with food and shelter. For 3 weeks, 12 people were living in my 2-bedroom apartment. I  
8 then frequently drove to Paradise to assist my parents in salvaging what they could from their  
9 destroyed home and businesses.

10 5. I personally felt that I was not eligible to file a claim against PG&E because I did not  
11 lose my home in the fire.

12 6. Once I found out that I could request the Bankruptcy Court to allow me to file a late  
13 claim for all my property loss and emotional distress damages, I contacted counsel immediately  
14 and asked them to file a motion for late claim on my behalf.

15 I declare under penalty of perjury under the laws of the State of California and the United  
16 States that the foregoing is true and correct.

17 Executed at Sacramento, California, on 7/15/2022.
